

THE EUGENIA

THE EUGENIA 3,485 total square feet

This bungalow's exterior façade echo's cottage charm. From it's board & batten, cedar shake, and stone finishes, to it's cottage roof lines, to the lake view off the back; you're sure to feel as though you're on vacation every day of the year.

The open main floor plan is great for entertaining a large group or a small intimate gathering. You'll also enjoy entertaining your guests in the outdoor living area, or having a quiet, relaxing evening sitting in front of the fire on those cool summer nights. The wing off the great room features the master suite, powder room, and office. While the other wing features the mudroom, a 3 season room, and an attached garage with ample storage. The finished basement houses two more bedrooms, a bathroom, laundry facilities, as well as a large open rec. room.

*Building a dream...
no matter how big or small.*
